American Red Cross Lifeguard Recertification Courses
Winter 2017 Schedule

LIFEGUARD RE-CERTIFICATION COURSES

Cost: \$165

The following courses are for those who are CURRENTLY CERTIFIED AS A LIFEGUARD, and need to renew their certifications. You must present proof of prior certification, and your certifications must be current. Participants must bring their own CPR rescue mask to the training session. Training consists of Physical Rescue Skills and 2 Written Tests, along with a brief review session. The lifeguard training re-certification course includes CPR Pro/AED for Lifeguards and Standard First Aid for Lifeguards. Modules cannot be issued independently and are integrated into the ARC Lifeguard Training program – WE CANNOT recertify CPR/ AED for Lifeguards without doing all modules - Lifeguarding/ First Aid/ CPR/ AED. It is STRONGLY advised that participants read the participants manual prior to class. Participants who have difficulty with the information will be directed to take a full Lifeguard course. Link to download a participant manual will be provided with registration confirmation email.
